SR. OLIVE LOUISE

Dear Friends:

This is a great year for all of us to prepare the way for a new President. It is an exciting challenge: to attract to our campus a leader who recognizes the importance of sports at Avila. Let us do our best at each game to show we are serious about the discipline, sportsmanship and constructive competitive spirit. After all, it is up to us to lead the way.

May our 1984-1985 season be a winning one!

HEAD COACH

Dennis Joyce

Dennis Joyce is entering his third season as Avila's head coach. He has guided the Avalanche to the District 16 playoffs once in his first two years. Dennis is an alumni of Avila's men's basketball program.

He earned his bachelor's degree in Psychology from Avila and a Master's degree in Business Administration from Rockhurst. In addition to coaching he currently teaches in the Avila business department. Dennis and his wife Patti have four children.

TEAM PRVIEW

The Avila College basketball team finished the 1983-84 season with a 12-19 mark. This year, with a blend of veteran and transfer players, the avalanche hopes to once again reach the District 16 playoffs. A team that is also strong, this year's team should be a quick one. Coach Dennis Joyce feels that quickness is the most improved aspect of the Avila game. The Avalanche returns six players to this year's squad. Three returning seniors, who saw action in each of last year's games, include Jeff Thompson, Rick Smith and Jerry French. Junior Tom Bodenstab also returns after a good season last year. Also returning to the squad are junior Curtis Nelson and sophomore Craig Kliethermes.

Avila added eight new players during the recruiting season, signing six upperclassmen and two freshmen. Juniors Rubin Harden and Barnett Walker join the Avalanche from Iowa Central and junior Kendrick Lewis transferred from Division I, Hardin-Simmons. Juniors Baron Dickson and Greg Patterson came to Kansas City from California and junior Milton Jeanette hails from Connecticut. Freshmen recruits are Mike McCollow, Minnesota and Mike Balano, Kansas City, St. Pius X.

As always, Avila will face tough competition this year including tough District 16 cross-town rivals---UMKC and Rockhurst. Coach Joyce feels that the team's success "depends on how well the new players fit in with the returning players." He continued, "it could take some time, but when we play together, we should have a good year."

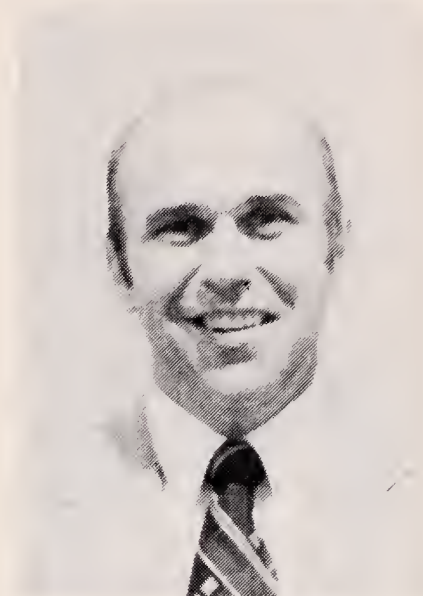

ASSISTANT COACHES

Don Earnest

Don Earnest and Fred Turner will share assistant coaching duties this year for Avila. Earnest last coached at Barstow school. In six years of working as head coach he compiled a 97-43 record.

Turner comes to Avila from Lee's Summit High School. In 16 years of coaching Fred has a 274-114 career win, loss record. Fred and his wife Pat reside in Lee's Summit with their children Ro and Drew. Don and his wife live in K.C. They have three children Joshua, Nathan and Nicholas.

Head
Coach: Henry Newell

Assistant
Coach: John Lenhart

HEAD COACH

Henry Newell

Henry Newell is entering his tenth year of coaching women's basketball. This is his third year at Avila. In addition to coaching the lady Avalanche, Henry coaches and teaches at area Lone Jack High School.

Henry is a UMKC graduate and is a long time Kansas City area resident. He currently resides in Grandview with his wife Julie and their two children.

TEAM PREVIEW

Avila returns seven players and all five starters from last year's squad. Last year was a year of change and development for the lady Avalanche. Three players were added over the recruiting period and a new assistant coach was named. Experience combined with a renewed attitude should help the ladies to improve on last year's 5-20 showing.

Among the five returning starters are three All District Honorable Mention players: center, junior Ginger Coldsnow; and forwards, junior Linda Hall and senior Judie Burkhalter. Coldsnow led the Avalanche in rebounding with a 10.7 average and added 9.2 points per game. Hall led the team in scoring with a 13.5 average and closely followed Coldsnow with 9.6 rebounds per game. Burkhalter scored 12.5 points per game and added 8.1 rebounds. Also returning positions are senior guards, Shawn Gough and Teresa Crimi. Last year, the outside combination contributed an average of over 15 points per game. Senior guard/forward Kathy Hale, one of the district's top "sixth players", joins the Avalanche after finishing the volleyball season. Sophomore Mary Kay Nason rounds out the returning Avila nucleus.

New to this year's team are freshmen Debbie Amos, Shelley Fuemeller and Suzanne Goode. Amos, a Springfield native, is a talented young guard as is Fuemeller, a native of Salisbury. Goode, also a volleyball player, comes to Avila from Louisburg, Kansas. She will see action at both forward positions and possible in the middle.

ASSISTANT COACH

John Lenhart

John is new to the Avila coaching staff this year. John, an Avila graduate replaces Cindy Northcraft, a graduate and former Avila player. John will work predominately with the forwards and centers this year.

John also serves as the field-house manager at Avila. He and his wife Brenda have one son Michael and are expecting a second child.

ATHLETICS and ACADEMICS

The Athletic Department is extremely interested in monitoring the progress of student athletes at Avila. We believe that academic growth must take precedence over athletic participation. Three variables we study are class attendance, academic progress, and appropriate classroom learning behavior. We all want student-athletes who are "winners" in the classroom as well as on the playing field.

SAM couldn't begin to count the number of times this question has been asked. Maybe because as a full-service advertising and marketing firm with expertise in the age 50-plus market, business has taken SAM outside of its Kansas City base to clients in over 15 states nationwide. Though SAM may seem to be on the road a lot, Kansas City is still home, where SAM serves a variety of clients from hospitals, physicians and medical products to motels, schools, industrial and retail businesses.

Maybe the confusion about who SAM is comes from the fact that people can't put a finger on the one thing SAM does best. Actually, SAM does many things well, with a staff of over 35 professionals who have expertise in areas of market research, copywriting, public relations, layout and design. The production of a final piece, whether it be a full-color brochure or a single-color mailer, is handled by SAM's full-service printing facility, Summit Graphics.
